Comprehensive Needs Assessment

Student Success

Student Success Areas of Strength

According to MAP ELA data, students increased 4% in percent of students above the 60th percentile from fall to winter; Kindergarten, Grade 1, and Grade 5 exceeded grade-level norm projected growth.

Student Success Areas for Growth

Grade 1 has 38% of students above the 60th percentile. Grades 2, 3, and 4 did not meet their grade-level norm projected growth.

Student Success Equity Resource Supports

Student Group	Challenge	Solution
<p>English Learners</p>		<p>The school will provide additional support to identified ELs using an online learning path.</p> <p>Implementation and Purposeful Planning with HMH-Into Reading Tier I Curriculum</p> <p>Teachers will participate in two scheduled ELA learning walks planned by the administrative team to identify academic discourse opportunities for ELLs in the implementation of the HMH curriculum.</p> <p>Based on data from learning walks, teachers will be provided opportunities to collaborate and plan for increased opportunities for academic discourse throughout lessons within the HMH curriculum.</p> <p>Administrators will support teachers' implementation of increased academic discourse opportunities for ELLs by scheduling and facilitating PLC meetings.</p> <p>Teaching staff were provided CCSD implementation training for HMH in August 2023. Grade Level Chairs were provided HMH implementation training to share with teams in October 2023. Teachers will receive training to increase opportunities for ELLs to engage in discourse using the HMH curriculum in January 2024.</p>

Student Group	Challenge	Solution
Foster/Homeless		The school counselor will implement wrap-around services to increase student attendance and/or provide evidence-based programs targeted to at-risk youth.
Free and Reduced Lunch		A strategic budget is used to provide Certified Temporary Tutors (CTTs) to support with providing instruction for tiered interventions and acceleration.
Migrant/Title1-C Eligible		N/A
Racial/Ethnic Minorities		A strategic budget is used to provide Certified Temporary Tutors (CTTs) to support with providing instruction for tiered interventions and acceleration.
Students with IEPs		Special Education teachers will participate in grade-level Professional Learning Community (PLC) meetings to analyze data, determine students' needs, and plan effective instruction and support.

Problem Statements Identifying Student Success Needs

Problem Statement 1 (Prioritized): Inconsistent achievement and growth observed across grade levels schoolwide.

Critical Root Cause: Lack of planned curriculum delivery, common assessment analysis/creation, and use of student data in PLCs.

Adult Learning Culture

Adult Learning Culture Areas of Strength

Staff and administrators are participating in PLCs regularly.

Adult Learning Culture Areas for Growth

Learning walks didn't occur in 24-25 due to lack of substitute availability. PLC structures were not adhered to and data analysis was not present during PLCs.

Adult Learning Culture Equity Resource Supports

Student Group	Challenge	Solution
<p>English Learners</p>		<p>The school will provide professional development to support teachers with utilizing QTEL strategies during Tier I instruction to increase student discourse through PLC.</p> <p>Teaching staff will be provided training in ULD Extension strategies throughout the 2024 calendar year. Currently, six licensed teachers on staff have been formally trained in QTEL. The goal is to train three to five additional teachers in QTEL to increase opportunities for ELLs to engage in discourse.</p> <p>The administrator will schedule grade-level PLC meetings with a focus on training staff on ULD extension strategies.</p> <p>Two after-school tutoring teachers will be provided training and feedback from observations on implementing ELL best practices in academic discourse structures for the four domains of language.</p> <p>Two after-school tutoring classes are offered for ELLs in grades 3-5 where all four domains of language are being implemented within each tutoring session.</p>
<p>Foster/Homeless</p>		<p>The school counselor will implement wrap-around services to increase student attendance and/or provide evidence-based programs targeted to at-risk youth.</p>

Student Group	Challenge	Solution
Free and Reduced Lunch		A strategic budget is used to provide Certified Temporary Tutors (CTTs) to support with providing instruction for tiered interventions and acceleration.

Problem Statements Identifying Adult Learning Culture Needs

Problem Statement 1 (Prioritized): Teachers are not taking enough opportunities to interact with learning intentions (LI) and success criteria (SC).

Critical Root Cause: Teachers are not PLANNING opportunities to make the LI and SC a relevant part of student learning.

Connectedness

Connectedness Areas of Strength

Gibson's House System is up and running to use as a reward system for positive attendance practices and the school counselor and office staff oversee monthly attendance celebrations for students with perfect attendance. These incentives are easy and inexpensive to operate.

Connectedness Areas for Growth

Teachers will need to be monitored closely by the school counselor on their follow-up with families of students with absences.

Connectedness Equity Resource Supports

Student Group	Challenge	Solution
English Learners		<p>The school counselor will implement wrap-around services to increase student attendance and/or provide evidence-based programs targeted to our ELs who are presenting as chronically absent.</p> <p>Counselor meets with grade levels to review chronic absenteeism and parent contact logs are monitored.</p> <p>The counselor calls parents to determine the root cause of absences and logs conversation in Infinite Campus.</p> <p>MTSS Team held a “Parent Social” to educate the community about Chronic Absenteeism and the impact attendance has on student achievement.</p> <p>Continue educating all stakeholders about chronic absenteeism and the impact attendance has on the ELL population.</p>
Foster/Homeless		<p>The school counselor will implement wrap-around services to increase student attendance and/or provide evidence-based programs targeted to at-risk youth.</p>
Free and Reduced Lunch		<p>A strategic budget is used to provide Certified Temporary Tutors (CTTs) to support with providing instruction for tiered interventions and acceleration.</p>

Problem Statements Identifying Connectedness Needs

Problem Statement 1 (Prioritized): Gibson's chronic absenteeism was at 22.1% as reported on FOCUSed at the conclusion of the 24-25 school year. Pre covid, Gibson's chronic absenteeism was under 14%.

Critical Root Cause: Since COVID-19 in March 2020, families aren't getting their children to school as consistently as they did, pre-covid. The school did not incentivize attendance as it had in the past.

Priority Problem Statements

Problem Statement 1: Teachers are not taking enough opportunities to interact with learning intentions (LI) and success criteria (SC).

Critical Root Cause 1: Teachers are not PLANNING opportunities to make the LI and SC a relevant part of student learning.

Schoolwide and Targeted Assistance Title I Elements

1.1: Comprehensive Needs Assessment

The MTSS Leadership Team consists of two administrators, the school counselor and the RBG3 Strategist. We met on June 23, 2025 and will meet three more times in the 25-26 school year to analyze formative data and determine whether adjustments are necessary to the plan.

2.1: School Performance Plan (SPP) developed with appropriate stakeholders

Gibson MTSS Leadership Team, which includes staff, parents, and community members meets in the summer to develop the SPP for the upcoming year. In the fall, winter, and spring, the team meets to review the plans and provide feedback for making revisions. In addition, additional stakeholder feedback is gathered during SOT meetings.

2.2: Regular monitoring and revision

We have routinely held status checks quarterly with the teams responsible for monitoring each strategy and will continue to do so. We document our findings and next steps in Plan4Learning.

2.3: Available to parents and community in an understandable format and language

The plan is posted on our school website and is shared in at least three SOT meetings throughout the year.

2.4: Opportunities for all children to meet State standards

NA

2.5: Increased learning time and well-rounded education

NA

2.6: Address needs of all students, particularly at-risk

NA

3.1: Annually evaluate the schoolwide plan

The MTSS Leadership Team will meet, analyze MAP, SBAC, STAR, Tier I Monitoring Tool data to determine areas of need to ensure student growth and achievement.

4.1: Develop and distribute Parent Involvement and Family Engagement Policy

The assistant principal will develop the Engagement Policy and will meet with the MTSS Team to share and glean ideas for improvement.

4.2: Offer flexible number of parent involvement meetings

multiple events held at different times during the day on various days.

5.1: Determine which students will be served by following local policy

All students will be served and all students' needs will be addressed to ensure 100% inclusion.
