#### ATTENDEES

##### **News from principal, Kristian Ryerson:**

- Return to school: It's been great. 289 students in person and a little over 180 distance learning. Nearing capacity limits. Teachers are working very hard to teach both in person and online learning..... THANK YOU TEACHERS!
- Registration for 2021-2022 school year: The district decided every school is to offer distance or in person for families. No allocations of additional staff members. Due to that Gibson will not offer teacher requests for this upcoming year. There will be no changes for families once they have decided to go in person or distance learning. Registration has not opened yet.
- 5th grade ceremony - The district has not given guidance yet for an in person ceremony.
- Q &A: Becky Nocon, Budget for next year?
  - The district underprojected Gibson, which is not uncommon for Gibson. Proposal submitted for carry over funds, allocated for a half of an assistant principal, half of a counselor and some technology. The district doesn't fund assistant principal or counselor in full.
