Staffing-We have 525 students enrolled as of today. Because of that, the district is allowing us two more teacher positions. We will putting one in 1st grade. For the second teaching position, the teachers voted on first saving the resource teacher if need be, and second having 5 certified tutors over hiring an additional teacher. These tutors will help with small group instruction, intervention, assessments, helping students to meet their reading goals for AR, lunch duty, etc. They will assist mainly with students in grades K, 2, and 3 and they will be trained by Gina Vesci, our Read by Three Learning Strategist.
